@jgombita: Internally or externally? RT @themaria: Great question! A big change I see is the need to be more open and transparent. #commschat

July 18, 2011, 7:07 pm

@themaria: External social tools can easily expose everything bad & good in a company, so it's more important than ever 2 align internally. #commschat

July 18, 2011, 7:07 pm

@themaria: @jgombita Both! In this case, we are talking about internal. #commschat
