[BarbaraAnne123](#) [#CommsChat](#) What does everyone think the role of outreach is in community content creation? -9:01 PM Feb 6th, 2012

[blaiseqv](#) Keep it fresh RT [@alexpachham](#): Never let your content strategy stand still. Or your community will become disengaged very quickly [#commschat](#) -9:00 PM Feb 6th, 2012

[AntonioKing1](#) The A vs B debate always sparks a nice conversation too. [#commschat](#) -9:00 PM Feb 6th, 2012

[CommsChat](#) RT [@LizLedge](#): [@Dan_Martin](#) couldn't agree more. I'll be opening up a dedicated community section on [@totalswindon](#) [#commschat](#) -8:57 PM Feb 6th, 2012

[NickWallen](#) RT [@Dan_Martin](#) [@HelenMoore](#) Getting intern to run community is like getting son to enter Tour de France because they have a bike [#commschat](#) -8:57 PM Feb 6th, 2012

[alexpachham](#) [#commschat](#) Never let your content strategy stand still. Or your community will become dis-engaged very quickly, which is fatal. -8:57 PM Feb 6th, 2012

[Communicatomag](#) Sorry, rather than just link, should have said anyone else going to the Virtual Community Summit <http://t.co/474eLXIW> [#commschat](#) -8:57 PM Feb 6th, 2012

[Dan_Martin](#) [@helenmoore](#) I don't think you can say that all temporary interns don't know they're doing [#commschat](#) -8:56 PM Feb 6th, 2012

[JamesBougourd](#) [@blaiseqv](#) I'm always finding content from the community, best way to get content shared [#commschat](#) -8:56 PM Feb 6th, 2012

[LizLedge](#) [@Dan_Martin](#) couldn't agree more. I'll be opening up a dedicated community section on [@totalswindon](#) [#commschat](#) -8:56 PM Feb 6th, 2012

[AntonioKing1](#) [#commschat](#) Oh for sure. Exp is def. key. Knowing what com. mgt is a good start! -8:56 PM Feb 6th, 2012

[thelaurenklein](#) Crowds love to solve problems, good way to drive more engagement with curators [#CommsChat](#) -8:56 PM Feb 6th, 2012

[Communicatemaq](#) Anyone else here going to the <http://t.co/474eLXIW> - im looking forward to meeting folks there [#commschat](#) -8:56 PM Feb 6th, 2012

[CommsChat](#) MT [@blaiseqv](#): Sourcing content from the community itself is a great way to dev a sense of ownership. Can be asked for or curated [#commschat](#) -8:56 PM Feb 6th, 2012

[blaiseqv](#) Doubt ur on intern contract :) RT [@AntonioKing1](#): [#CommsChat](#) Im 21 & Head of Comm for gaming media company [#commschat](#) -8:55 PM Feb 6th, 2012

[Dan Martin](#) [@commschat](#) On my website we allow all members to blog. We post-moderate & put trust in members to not spam [#commschat](#) -8:55 PM Feb 6th, 2012

[BarbaraAnne123](#) [#CommsChat](#) Then you know the members are interested in the content you want them to create before you write to them. -8:55 PM Feb 6th, 2012

[Helen Moore](#) [@AntonioKing1](#) ah but not an intern - you're obviously young, talented and know what you're doing - different to a temp intern [#commschat](#) -8:55 PM Feb 6th, 2012

[BarbaraAnne123](#) [#CommsChat](#) I think tabulating results of a survey and using databases to slice members into subgroups is a good idea. -8:54 PM Feb 6th, 2012

[CommsChat](#) [@AntonioKing1](#) ... responsibility that's beyond that's beyond their paygrade [#commschat](#) -8:54 PM Feb 6th, 2012

[AdamAzor](#) I rest my case >> RT [@AntonioKing1](#): [#CommsChat](#) Im 21 and the Head of Comm for a gaming media company. Were not all ignorant. ;) [#commschat](#) -8:54 PM Feb 6th, 2012

[Communicatomag](#) RT [@AntonioKing1](#): [#CommsChat](#) Im 21 and the Head of Comm for a gaming media company. Were not all ignorant. ;) [#commschat](#) -8:54 PM Feb 6th, 2012

[CommsChat](#) [@AntonioKing1](#) I don't think anyone's claiming youth=incompetence here. It's rather about part-time employees being given.... [#commschat](#) -8:53 PM Feb 6th, 2012

[Dan Martin](#) RT [@blaiseqv](#): Sourcing content from community itself is a great way of developing a sense of ownership. Can be asked for/curated [#commschat](#) -8:53 PM Feb 6th, 2012

[alexpackham](#) [#commschat](#) Depends on the topic of interest to the community. A balance between commercial + conversation msging needs to be achieved. -8:53 PM Feb 6th, 2012

[AntonioKing1](#) [#CommsChat](#) I'm 21 and the Head of Comm for a gaming media company. We're not all ignorant. ;) -8:52 PM Feb 6th, 2012

[blaiseqv](#) Sourcing content from the community itself is a great way of developing a sense of ownership. Can be asked for or curated [#commschat](#) -8:52 PM Feb 6th, 2012

[SheilaS](#) RT [@HelenMoore](#): Getting your intern to run a community is like getting your son to enter the Tour de France b/c he has a bike. [#commschat](#) -8:52 PM Feb 6th, 2012

[gaildoggett](#) [@BarbaraAnne123](#) [@helenmoore](#) also interns rarely likely to be well connected to get timely responses from snr sources when needed [#commschat](#) -8:52 PM Feb 6th, 2012

[blaiseqv](#) Apart from articles & polls, do interviews of either people they look up to, or highlight best community members for [#cmgr](#) kudos [#commschat](#) -8:51 PM Feb 6th, 2012

[blaiseqv](#) There are plenty of types of content you can use, good idea to research what community will find valuable first to ensure value [#commschat](#) -8:51 PM Feb 6th, 2012

[blaiseqv](#) If budget is tight, at very least outsource or hand over to part-timer; there needs to be some accountability and authority [#commschat](#) -8:51 PM Feb 6th, 2012

[toodlepip](#) RT [@AlterianJames](#): [#commschat](#) nice to see [@Sociagility](#) raising the profile of the humble community manager with awards at [#smwldn](#) next week. -8:51 PM Feb 6th, 2012

[AdamAzor](#) I think there's a massive difference between an intern being a CM and running the social strategy / digit marketing. [#commschat](#) -8:50 PM Feb 6th, 2012

[CommsChat](#) Final topic tonight is a little bit broader: What sort of content can community managers use to engage stakeholders? [#commschat](#) -8:50 PM Feb 6th, 2012

[Neria](#) [@alexpackham](#) , moderator to begin with! And then develop skills, experience under supervision, and progress into CM roles. [#CommsChat](#) -8:49 PM Feb 6th, 2012

[Dan Martin](#) RT [@HelenMoore](#) Getting intern to run community is like getting son to enter Tour de France because they have a bike [#commschat](#) -8:49 PM Feb 6th, 2012

[Communicatomag](#) Do any of the PR or comms degree courses have CM modules or components? [#commschat](#) -8:49 PM Feb 6th, 2012

[BarbaraAnne123](#) [#CommsChat](#) Students are young. An intern, or apprentice, can do many tasks. But make decisions that affect the integrity of a brand? No. -8:49 PM Feb 6th, 2012

[AWCchat](#) How often is the intern doing social media work or community management b/c everyone else is intimidated by it? ^S [#commschat](#) -8:49 PM Feb 6th, 2012

[alexpackham](#) [#commschat](#) ...therefore should be able to have insight into CM as much as any other aspect of marketing. Not be a community manager though. -8:48 PM Feb 6th, 2012

[AdamAzor](#) [@CommsChat](#) I agree that that's why I think it depends on their managers. But I think sensible social literate interns add value [#commschat](#) -8:48 PM Feb 6th, 2012

[alexpackham](#) [#commschat](#) An intern doesn't = a young person who uses Facebook & Twitter. An intern should be a student wanting to develop skills.. -8:47 PM Feb 6th, 2012

[helenblundell](#) [@CommsChat](#) [@adamazor](#) train your interns up by all means, just don't let them loose unsupervised until they are no longer interns [#commschat](#) -8:47 PM Feb 6th, 2012

[BarbaraAnne123](#) [#CommsChat](#) [@HelenMoore](#) Agree. They are too young, inexperienced in the online social world, and in financial and brand management.-
8:47 PM Feb 6th, 2012

[blaiseqv](#) [@AdamAzor](#) I'd rather hedge my bets personally but I see your point :) [#commschat](#) -8:47 PM Feb 6th, 2012

[CommsChat](#) [@AdamAzor](#) I think it's probably a really good area for interns to be involved in-but ultimate responsibility can't be theirs. [#commschat](#) -8:45 PM Feb 6th, 2012

[AdamAzor](#) [@blaiseqv](#) true.. but even sometimes experienced marketers and CMs make mistakes. With social things can always go wrong quickly [#commschat](#) -8:45 PM Feb 6th, 2012

[HelenMoore](#) Getting your intern to run a community, is like getting your son to enter the Tour de France because they have a bike [#commschat](#) -8:45 PM Feb 6th, 2012

[HelenMoore](#) [@BarbaraAnne123](#) agree - no. Not interns. FFS [#commschat](#) -8:44 PM Feb 6th, 2012

[gaildoggett](#) [@CommsChat](#) #4 [#commschat](#) and in that case the intern should get the advertising and marketing budgets to play with too... -8:44 PM Feb 6th, 2012

[blaiseqv](#) [@AdamAzor](#) but betting on how good an intern turns out, without a body of mistakes to learn from, is basically gambling [#commschat](#) -8:44 PM Feb 6th, 2012

[gaildoggett](#) [@CommsChat](#) #4 [#commschat](#) yes if you believe any publicity is good publicity and don't care about brand mgmt </rant> -8:43 PM Feb 6th, 2012

[CommsChat](#) RT [@Neria](#) : [@CommsChat](#) on a short-term projects I think - yes. It depends what results are wanted to be achieved. Long-term no. [#commschat](#) -8:43 PM Feb 6th, 2012

[MatthewSemulo](#) I still think that with the right training, support, and supervision/accountability CM can be done by intern (where

appropriate)! [#CommsChat](#) -8:43 PM Feb 6th, 2012

[CommsChat](#) MT [@blaiseqv](#): Intern might bring enthusiasm for community not already inhouse, but unsupervised it can end in social media crisis [#commschat](#) -8:43 PM Feb 6th, 2012

[Dan Martin](#) RT [@blaiseqv](#): Intern might bring enthusiasm for community not inhouse, but unsupervised can end in soc med crisis [#commschat](#) -8:43 PM Feb 6th, 2012

[BarbaraAnne123](#) [#CommsChat](#) There are too many social situations a community person must experience, which takes years of experience. -8:43 PM Feb 6th, 2012

[AdamAzor](#) It's really hard to answer this in a generic way... does it not come down to how good the intern is? and who they are managed by? [#commschat](#) -8:43 PM Feb 6th, 2012

[blaiseqv](#) [@MatthewSemulo](#) if intern is the only person practicing community management, who is able to supervise effectively? [#commschat](#) -8:43 PM Feb 6th, 2012

[blaiseqv](#) If budget is tight, at very least outsource or hand over to staff part-time; there needs to be some accountability and authority [#commschat](#) -8:42 PM Feb 6th, 2012

[blaiseqv](#) Intern might bring enthusiasm for community not already inhouse, but unsupervised this can end in social media crisis [#commschat](#) -8:42 PM Feb 6th, 2012

[AdamAzor](#) [@jeremywaite](#) haha I have no come back... but also make no apologies for being a saints fan... [#commschat](#) -8:41 PM Feb 6th, 2012

[helenblundell](#) Well, it would have to be a really good intern who understood the community. How likely is that? [#commschat](#) -8:41 PM Feb 6th, 2012

[Neria @CommsChat](#) on a short-term projects I think - yes. It depends what results are wanted to be achieved. Long-term no. [#CommsChat](#) -8:41 PM Feb 6th, 2012

[blaiseqv](#) Most things could be done by an intern. Is it advisable? Rarely. You are running real risk just handing something as critical [#commschat](#) -8:41 PM Feb 6th, 2012

[jeremywaite @AdamAzor @logistikcsr](#) Not sure I agree. I think the best marketers realise that they are now more like "flight controllers". [#commschat](#) -8:41 PM Feb 6th, 2012

[Dan Martin](#) RT [@alexpachham](#) CMs need to be empowered with trust within a business, get community to feel same about company [#commschat](#) -8:41 PM Feb 6th, 2012

[alexpachham @CommsChat](#) No, it can't. [#commschat](#) -8:41 PM Feb 6th, 2012

[Matthew Semulo](#) If given the right training and support, yes CM can be done by an intern in my opinion. [#commschat](#) -8:41 PM Feb 6th, 2012

[BarbaraAnne123 #CommsChat](#) No, community management cannot be done by an intern. - 8:41 PM Feb 6th, 2012

[gaildoggett @CommsChat #3 #commschat](#) libel, sweepstakes and competitions, advertising and disclosure, insurance for blogger outreach events! -8:41 PM Feb 6th, 2012

[alexpachham @CommsChat](#) Agreed, completely against 'selling' in digital communities. Hence the word community not digital shop :) [#commschat](#) -8:39 PM Feb 6th, 2012

[CommsChat](#) Ok topic no.4 - which I think may prove contentious - is: Can community management be done by an intern? [#commschat](#) -8:39 PM Feb 6th, 2012

[blaiseqv @LogistikCSR @AdamAzor @jeremywaite](#) can also make an agenda seem more palatable :) [#commschat](#) -8:39 PM Feb 6th, 2012

[Neria](#) RT [@alexpachham](#): CMs need to be empowered with trust within a business, to get the community to feel the same about the company. [#CommsChat](#) -8:39 PM Feb 6th, 2012

[jeremywaite](#) [@AdamAzor](#) I'll agree with you Ad even though you're a saints fan! CM = acquisition drivers, loyalty agents & brand advocates [#commschat](#) -8:39 PM Feb 6th, 2012

[AdamAzor](#) [@jeremywaite](#) [@logistikcsr](#) come on now... this isn't marketing speeches 101. Marketeers use customer insight but remain in control [#commschat](#) -8:39 PM Feb 6th, 2012

[LogistikCSR](#) [@AdamAzor](#) [@jeremywaite](#) Everyone has a budget & agenda to consider. You can still maintain a tone of voice with an agenda. [#commschat](#) -8:38 PM Feb 6th, 2012

[heidinoemm](#) RT [@alexpachham](#): CMs need to be empowered with trust within a business, to get the community to feel the same about the company. [#commschat](#) -8:38 PM Feb 6th, 2012

[MainlinePR](#) [@alexpachham](#) [@CommsChat](#) [#commschat](#) this covers the need for employee loyalty as well as customer loyalty. -8:38 PM Feb 6th, 2012

[AdamAzor](#) [@CommsChat](#) [@jeremywaite](#) it could & The biz itself has to decide what it wants from CM before deciding where it wants it [#commschat](#) -8:38 PM Feb 6th, 2012

[CommsChat](#) [@alexpachham](#) Absolutely-I think trust is harder to come by when people feel they're being sold to though [#commschat](#) -8:37 PM Feb 6th, 2012

[jeremywaite](#) [@AdamAzor](#) [@logistikcsr](#) No customers = No engagement = No ROI = No budget anyway! [#commschat](#) -8:36 PM Feb 6th, 2012

[alexpachham](#) [@CommsChat](#) CM's need to be empowered with trust within a business, to get the community to feel the same about the company. [#commschat](#) -8:36 PM Feb 6th, 2012

CommsChat RT [@LogistikCSR](#): [@jeremywaite](#) [@adamazor](#) Brand guardian is a nice way of putting it. [#commschat](#) -8:35 PM Feb 6th, 2012

[KimBorrowdale](#) [@jeremywaite](#) and on that note customers see all (instantly) so coaching on how to ref clients/brands more important than ever [#commschat](#) -8:35 PM Feb 6th, 2012

[AdamAzor](#) [@jeremywaite](#) [@LogistikCSR](#) that's a beautiful phase 2 put in a tweet but the reality is they are in control & sign off the budget [#commschat](#) -8:35 PM Feb 6th, 2012

[LogistikCSR](#) [@jeremywaite](#) [@adamazor](#) Brand guardian is a nice way of putting it. [#commschat](#) -8:34 PM Feb 6th, 2012

CommsChat [@AdamAzor](#) [@jeremywaite](#) Very true and in fact I think that's happening already. But does it cloud engagement? [#commschat](#) -8:34 PM Feb 6th, 2012

[blaiseqv](#) Common sense is very subjective. Probably not wise to rely on it for legal issues as a [#cmgr](#). Talk to your legal team! [#commschat](#) -8:34 PM Feb 6th, 2012

[doktorb](#) [@CommsChat](#) [@MainlinePR](#) [#commschat](#) "copyright, copyright, copyright" to coin a phrase. -8:33 PM Feb 6th, 2012

CommsChat [@alexpachham](#) I think-admirable a sentiment as that is-it's foolish for companies not to be clear about where legal boundaries lie [#commschat](#) -8:33 PM Feb 6th, 2012

[blaiseqv](#) [@helenblundell](#) another great reason to come along or watch the live feed!<http://t.co/cgJeDPoj> [#commschat](#) -8:32 PM Feb 6th, 2012

[Jeremy Waite](#) [@LogistikCSR](#) [@adamazor](#) Not a brand manager. More a brand guardian. "You" are not in control anymore. Your customers are. [#commschat](#) -8:32 PM Feb 6th, 2012

[Adam Azor](#) [@JeremyWaite](#) [@CommsChat](#) customer service is v important but done in the right way a CM could also be a major acquisition driver [#commschat](#) -8:31 PM Feb 6th, 2012

[Ann Wax](#) [@AlexPackham](#) [@CommsChat](#) legal common sense is needed, but there are ppl who are very zealous with lawsuits. [#commschat](#) -8:31 PM Feb 6th, 2012

[Helen Blundell](#) [@Blaiseqv](#) we'll be talking about libel with [@Timpinto](#) at [#vircomm12](#) this Thursday :) [#commschat](#) -8:31 PM Feb 6th, 2012

[CommsChat](#) We're 1/2 thru, time to say a big thanks to our sponsors [@mynewsdesk](#) [@cisionuk](#) [@kwdigital](#) & [@wolfstarpr](#) Please do check them out [#commschat](#) -8:31 PM Feb 6th, 2012

[Doktorb](#) [@AlexPackham](#) "Common sense" can be misused. How to reign in the idea that 'libel doesn't exist' in internal email, etc? [#commschat](#) -8:31 PM Feb 6th, 2012

[Alex Packham](#) [@CommsChat](#) [#commschat](#) legal common sense is needed, nothing further than that IMO. -8:29 PM Feb 6th, 2012

[LogistikCSR](#) RT [@AlterianJames](#): [#commschat](#) cmgr can be lead generating, offline-public speaking, cust support, prod dev & closest a board can get to knowing what goes on -8:29 PM Feb 6th, 2012

[Adam Azor](#) Policy is split in two e.g. there is online social best practice & there will be the sector's policy e.g. CM for alcohol brands [#commschat](#) -8:29 PM Feb 6th, 2012

[Blaiseqv](#) Finally in UK there's CAP (or FTC in USA), covering astroturfing & endorsements in

social media. Read this: <http://t.co/tI7TqQtI> #commschat -8:29 PM Feb 6th, 2012

[jeremywaite](#) @CommsChat Of course. But I think comm mgmt in social is customer service #1, everything else 2nd. Just ask [@garyvee](#) #commschat -8:29 PM Feb 6th, 2012

[doktorb](#) @AlterianJames @CommsChat #commschat Ah but we all know boards for whom 'what's going on' means offline meetings and no sm awareness -8:29 PM Feb 6th, 2012

[CommsChat @Sociagility](#) Hi! We'd love you to join in - remember to use the [#commschat](#) tag so others can follow your tweets. -8:27 PM Feb 6th, 2012

[blaiseqv](#) Libel in the UK is something every [#cmgr](#) should be aware of - given libel tourism non-UK [#cmgr](#) should pay attention too [#commschat](#) -8:27 PM Feb 6th, 2012

[AdamAzor @blaiseqv](#) Agreed. Also think it depends on how digitally focused the company is and finally what the biz wants out of the CM [#commschat](#) -8:27 PM Feb 6th, 2012
